KANJON NEVIDIO

Mistično uklesani kanjon, poslednji je osvojen kanjon u Evropi, i to tek 1965. godine.

PLANINA DURMITOR

Durmitor, div među planinama, je dom za hiljadu i po biljnih vrsta, a neke od njih tu rastu još od Ledenog doba.

ECO SELO NEVIDIO

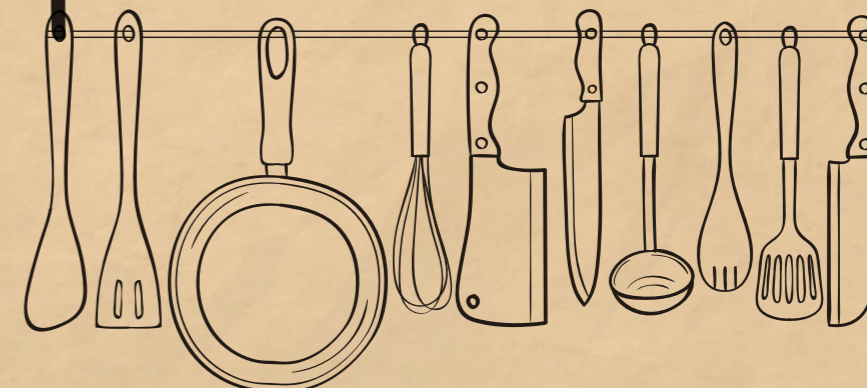

Iz susreta planine i čovjeka kome planina teče kroz vene, desilo se Eco selo Nevidio. Uslov da budete naš gost je da osjetite svu slobodu ovog remek djela prirode i čovjeka.

GAŠO LALOVIĆ 1958-2017

Kreator ovog remek djela, a kao i svi veliki ljudi, neshvaćen u svom vremenu je život posvetio prirodi i borbi za bolji život budućih generacija. Legenda crnogorskog alpinizma koji je prkosio Himalajima, Alpima, Andima, Kavkazu ostaće primjer drugima da čovjek može sve.

SELO POŠĆENJE

Tu ste. Iskoristite prirodu, kako kaže Jovan Cvijić, čuveni geograf, najljepšeg sela na Balkanu. Raspitajte se kod osoblja o stazama za pješaćenje, biciklizam, obidite dva jezera u selu i naravno nezaobilazni kanjon Nevidio. Uvjerićete se u Jovanove riječi.

NEVIDIO CANYON

Mystically carved canyon is last conquered canyon in Europe, and it was in 1965.

DURMITOR MOUNTAIN

Durmitor, a giant among mountains, is home for more than one thousand and half plants and some of them are growing here since Ice age.

ECO VILLAGE NEVIDIO

The Eco Village Nevidio has been created from the encounter of mountain and a man trough whose veins the mountain runs. The only condition for you to be our guest is to feel all the freedom of this masterpiece of one man and nature around him.

GAŠO LALOVIĆ 1958-2017

The creator of this masterpiece, as all great people misunderstood in their times, devoted his life to the struggle for better life of future generations. The legend of Montenegrin alpinism, who defied the Himalayas, Alps, Andes and the Caucasus Mountains will be remembered as an example to others that one man can achieve anything.

POŠĆENJE VILLAGE

Well, since you are here, take advantages of pure nature, as famous geographer Jovan Cvijic said, of the most beautiful village in the Balkans. Don't hesitate to ask our employees about mountain paths, mountain biking, visiting two lakes and of course, the inevitable Canyon Nevidio. You will be persuaded in words of Jovan Cvijic.
